**A-PUN MY WORD!** As perusual, Holmes & Watson were perusing the morning newspapers and commenting upon items of mutual interest.

**Watson:** I see here, Holmes, an item telling of a inmate at Dartmoor, who wrote a novel soon to be published.

**Holmes:** Yes, Watson, but undoubtedly he will use a "pen name".

**Holmes:** "Would you believe it, Watson, that our local doughnut maker is in the British Open?"

**Watson:** "Indeed, Holmes, and did you note that he made a "hole-in-one"!"

## Holmesian Headlines

**Sherlock's FOR THE BEES, NOT THE BIRDS!**  
**Holmes, Birds far apart**

YOU CAN BET YOUR LAST BOB ON IT!

## Philatelic Philandering

... or Stamping around with  
SHERLOCK HOLMES

... My thanks to Gordon Palmer of 1000 Oaks, CA, who sent on these Holmesian philatelic phinds (or is it filatelic finds). Left is a Hungarian stamp reminding us that Thaddeus Sholto offered Mary Marston a glass of Tokay Wine (SIGN). Below, in LAST, Watson drove a Ford, and VonBork owned a Benz.

**LAST CHANCE** to get the *New Rathbone/Holmes* stamp. Send \$7.50 [payable to Benton Wood] pronto. Supplies are dwindling. ....

\* \* Don't forget to order my new philatelic publication **"SHERLOCK on STAMPS"**. It contains all the Holmesian stamps in vivid colour. \* \*
